450 sqm warehouse

€4,500 /month

 Lemesos, Limassol

This bright, open indoor hall is ready to use and comes fitted as a sports court. It suits a sports centre, but it will work just as well for many other businesses. The high ceiling has exposed timber roof trusses, and large windows on both sides bring in plenty of natural light, so the space feels open and welcoming from the moment you walk in.

Key features

- Large open floor with no columns in the middle, about 450 m²
- High ceiling with a traditional timber truss roof
- Sports floor already marked for futsal, basketball and volleyball
- Plenty of natural light from high-level and large side windows

Covered

 450 m²
